Silky Locks All Summer Long

Restore your hair's natural lustre with the **Aluminé Soy & Baobab Oil Hydrating** Shampoo and Conditioner.

Dry or chemically damaged hair meets its match with Aluminé hair care's specially formulated Soy & Baobab Oil products. Restore natural brilliance with a rich blend of botanical ingredients, vitamins, and exotic oils.

The shampoo and conditioning duo nourishes and protects dry or brittle hair. Achieve a natural, luminous, lasting sheen through the summer in these three simple steps:

1. Apply the **shampoo**, working into a rich lather, and rinse thoroughly.
2. Massage the **conditioner** from the hair's roots to tips, and rinse thoroughly.
3. Style, and enjoy hydrated, silky hair the natural way.

Shower Your Locks in "Runway" Shine

You've seen it. You've envied it. That unbelievably shiny and silky hair flaunted by models on TV and runway. Now you can make it your own.

Spoil your hair with Aluminé Naturals Bamboo Nectar Shine Enhancing Shampoo and Conditioner. If you have dull, lifeless or dry hair, this duo's concentrated botanical ingredients will coat hair with a nutrient-rich sheen your friends will marvel over.

The powerful combination of bamboo silica, biotin (Vitamin B7) and panthenol (Vitamin B5) help strengthen the hair and improve its elasticity while Bamboo nectar and palm fruit extract hydrate each strand. Infused with our patented Active Shine Complex, the Aluminé Naturals Bamboo Nectar Shine Enhancing Shampoo and Conditioner will turn your hair to satin smoothness.

Experience that "model" shine you've always wanted in **three** easy steps:

1. Apply the **shampoo**, working into a rich lather and rinse thoroughly.
2. Massage the **conditioner** from the hair's roots to tips, and rinse thoroughly.
3. Style, and **enjoy** super shiny hair the natural way.
